Catalogue for single function, multifunction printers, copiers and scanners

Let your business
TAKE FLIGHT
 with colour

World's smallest colour laser printer*
 & HP's most affordable colour LaserJet
 HP LaserJet Pro CP1025 Colour Printer

Print B&W at the same cost as a mono laser
 AT JUST Rs. 14,999/-

Nothing adds impact to your business communications like colour. Now it's even more affordable with the HP LaserJet Pro CP1025 Colour Printer.

Not only is it the world's smallest colour laser printer it lets you enjoy colour while printing B&W documents at the same cost as a mono laser printer.

All of which means you can effortlessly take your business to the next level with colour.

* Based on personal colour printers as defined by IDC as of June 2010 as measured by volume using manufacturer's specifications.

Advance your business with HP Accessories

HP Jetdirect Print Servers: With extensive technology expertise in printing and connectivity, HP offers a complete line of external, internal and wireless print servers. These servers provide convenient solutions for simplified management and enhanced performance. They are thoroughly tested and supported for total reliability which translates into investment protection.

HP LaserJet Memory & HDD are designed to boost printer performance, increasing memory is useful when printing multiple copies or memory intensive files. HP tests indicate that increasing memory is beneficial when printing graphic-rich, multi-copy presentations, HTML, PDF files and photo imaging as well as desktop publishing (DTP) files.

HP LaserJet Paper Handling Accessories are designed to print job easily and more efficiently, reducing printing time and costs. The wide range of flexible output devices offered, make it more convenient to accommodate multiple users and high volume printing. With special document finishing features, you can create documents such as brochures, newspaper and manuals, ready to distribute in just one step.

HP Maintenance Kits are designed to prolong the functional life-span of HP LaserJet printers, minimizing printer downtime and number of service calls. It also helps in ensuring best print quality while reducing the number of paper jams due to worn out parts.

* The term "Intro" in the table refers to introductory cartridge/toner accompanying the mentioned printer and these may yield lesser pages than replacement or after market cartridge/toner. The term "full" in the table refers to cartridge/toner that provide similar page yield as replacement or after market cartridge/toner. The above declared cartridge yield is in accordance with ISO standards 24711 and the toner yield is in accordance with ISO/ IEC 19752. For more information visit www.hp.com/go/pageyield
